PROFESSIONAL SUMMARY

Detail-oriented Engineering student with a strong foundation in Computer Science and hands-on experience in supply chain operations. Proven track record in social innovation through the **School Innovation Development Project (SIDP)** and recognized for excellence with the **Best Student Award**. Certified in multiple programming languages with a focus on solving real-world problems through technical and analytical excellence.

TECHNICAL SKILLS

- **Programming:** Java(Top Skill), JavaScript, C, C++
- **Software:** Microsoft Excel (Advanced), MS-Office
- **Core Competencies:** Supply Chain Management, Machine Learning, Inventory Coordination, Logistics, Social Innovation

KEY ACHIEVEMENTS & PROJECTS

- **Social Innovation Development Project (SIDP):** Identified real-world problems and proposed design solutions using the Upshift process (2024-2025).
- **Idea Submission Challenge:** Successfully proposed solutions for problem identification within the SIDP framework.
- **Honors:** Recipient of the **BEST STUDENT AWARD (2022-23)**.
- **Workshops:** Active participant in AI workshops to stay updated on emerging technologies.

INDUSTRY CERTIFICATIONS:

- Certified in Java and JavaScript (CADD Institute/LiveWire in collaboration with NASSCOM & ORACLE).
- Certified in C and C++ (New Gen Literacy).

PROFESSIONAL EXPERIENCE

PepsiCo India |

Trainee (Pep Supply Chain Stars)

October 2025 – November 2025

- Engaged in a structured FMCG supply-chain program involving industry-led upskilling and virtual workshops.
- Assisted with inventory and logistics coordination, overseeing the movement of goods from production to delivery.
- Collaborated with cross-functional teams to resolve operational challenges and improve field execution.
- Enhanced analytical thinking and communication skills through real-world supply chain practice.

EDUCATION

- **Bachelor of Engineering (BE), Computer Science and Engineering** | Kings Engineering College

2025 –2029 (Expected)

LANGUAGES

- **English & Tamil:** Native or Bilingual Proficiency
- **Hindi:** Full Professional Proficiency
- **Telugu:** Limited Working Proficiency
